- e) a copy of SNAP eligibility letter, if applicable

## About the Randy Royer Memorial Scholarship

This scholarship is awarded by the Randy Royer Memorial Foundation in honor of Randy Royer who was raised in Akron, PA and graduated from Ephrata High School. Randy continued his education at Penn State University earning an associate degree in Architectural Engineering Technology and a bachelor of science in Structural Design and Construction Engineering Technology. Randy started working for Ames Construction as a project manager and estimator immediately after college and remained there for 27 years until his sudden death in 2016. Randy's work was his passion and was proud to be a part of the Ames Construction team.
